TravelWise Rail Express Rail Travel Management at your fingertips!

Dear colleague

Booking train travel has never been so easy!!

Do you find yourself going round in circles when searching for UK rail fares and routes?

I would like to introduce you to a new and innovative rail travel booking system specifically for business users, which is designed to save your organisation time and money.

TravelWise Rail Express is an internet-based self-booking tool that is flexible and easy to use. It allows you and your colleagues to log on and book rail tickets quickly and easily. The system searches across all of the UK's rail operators providing you with all the route and fares information you need to plan your journey

TravelWise Rail Express offers many advantages including:

- Highlighted saving opportunities
- Travel Policy Management - customisable on a per client basis
- Comprehensive online management reporting for each and every trip 24 hours a day 7 days a week
- Choice of ticketing options including desktop printing
- A wide range of credit and payment facilities
- Account Management provided for ALL registered users
- Support and training provided free of charge by TravelWise rail experts

To find out how TravelWise Rail Express could work for your organisation or to arrange a demonstration:
